

Light Up Your Signs

For your sign lighting applications, try **AgiLight LED channel lighting systems!** High-quality AgiLight LED systems cover most channel lighting applications, from durable, weather-resistant systems to extra bright, extra thin systems for low-profile lettering and more!

TuffRayz & TuffRayz Jr.

The harshest elements are no match for AgiLight's TuffRayz and the new, more compact version, TuffRayz Jr.! Wind, rain, ice, humidity, heat—the TuffRayz family can stand up to them all. This virtually weather-proof LED system has a protective molded body and fully potted protection for circuitry and connections.

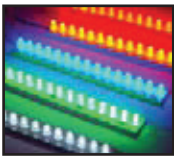

TuffRayz are also easy to install—they're color coded for easy identification, and their oval shape keeps them from catching on objects in your work area. And, with an affordable price and 30% more brightness than other standard LED systems, TuffRayz are an economical choice for all your outdoor channel letter applications!

Part Number	Description	Color
AGITUFFRAYZW	LED Strip, 2 LEDs/ft.	White
AGITUFFRAYZA	LED Strip, 2 LEDs/ft.	Amber
AGITUFFRAYZB	LED Strip, 2 LEDs/ft.	Blue
AGITUFFRAYZG	LED Strip, 2 LEDs/ft.	Green
AGITUFFRAYZO	LED Strip, 2 LEDs/ft.	Orange
AGITUFFRAYZR	LED Strip, 2 LEDs/ft.	Red
AGITUFFRAYZJRW	LED Strip, 3 LEDs/ft.	White
AGITUFFRAYZJRA	LED Strip, 3 LEDs/ft.	Amber
AGITUFFRAYZJRB	LED Strip, 3 LEDs/ft.	Blue
AGITUFFRAYZJRG	LED Strip, 3 LEDs/ft.	Green
AGITUFFRAYZJRR	LED Strip, 3 LEDs/ft.	Red

BrightStrip™ & BrightStrip™ EDGE

With a range of colors and beam angles, AgiLight BrightStrip™ LED Modules modules can be customized to illuminate any project, from signs to POS displays to under-cabinet lighting. BrightStrip is continuously a top choice among designers because of its low power, high brightness, "green technology," and cost-effective 5mm LED technology. BrightStrip also runs on low DC voltage, which eliminates the need for temperature-sensitive ballasts and expensive installation.

For edge lighting, perimeter lighting, and architectural elements with limited space, BrightStrip™ EDGE offers high brightness and easy installation in a compact package.

Part Number	Description	Color
AGIBSEGEDW	LED Strip (17")	White
AGIBS*A	LED Strip (6", 12" or 18")	Amber
AGIBS*B	LED Strip (6", 12" or 18")	Blue
AGIBS*C	LED Strip (6", 12" or 18")	Green
AGIBS*R	LED Strip (6", 12" or 18")	Red

* Denotes where number in inches should be included in the Part Number. For instance, if ordering 18" Red BrightStrip, Part Number is AGIBS18R. Ask your Midwest Representative for pricing on BrightStrip angled beam strips.

Light Up Your Signs

ThinRayz & ThinRayz Xtra

From the skinniest channel letters to the shallowest light boxes, ThinRayz fit the bill! These LEDs are ultra thin (.188 inches) and can be installed in letters as shallow as 1.5". ThinRayz modules give off consistent, white light that matches the performance of six standard LEDs (12 standard LEDs for ThinRayz Xtra). For extra brightness, ThinRayz Xtra provides 33% greater light output per foot than regular ThinRayz. Both

Part Number	Description	Color
AGITHINRAYZXTRA	LED Strip, 2 LEDs/ft.	White
AGISW1WTHINRAYZ	LED Strip, 3 LEDs/ft.	White
AGISW1ATHINRAYZ	LED Strip, 3 LEDs/ft.	Amber
AGISW1BTHINRAYZ	LED Strip, 3 LEDs/ft.	Blue
AGISW1GTHINRAYZ	LED Strip, 3 LEDs/ft.	Green
AGISW1RTHINRAYZ	LED Strip, 3 LEDs/ft.	Red
AGISW1WTHINRAYZ	LED Strip, 3 LEDs/ft.	Amber

models use AgiLight's state-of-the-art Tri-Die™ wide-angle beam technology for great energy efficiency, brightness and color uniformity!

LiteRayz

LiteRayz LED Modules provide all of the same benefits as ThinRayz—but at a more competitive price. If you're looking for an economical lighting solution that is ultra-thin, extra shallow and superior quality, LiteRayz is for you!

Part Number	Description	Color
AGILITERAYZSW	LED Strip, 2 LEDs/ft.	White
AGILITERAYZSWFT	LED Strip, 2 LEDs/ft.	White

ShallowRayz

New from AgiLight, an LED module designed for extremely shallow applications! With the same versatility, brightness, and dependability that comes with all other AgiLight products, ShallowRayz' slim silhouette leaves extra room for creativity.

Part Number	Description	Color
AGISHALLOWRAYZ	LED Strip, 4 LEDs/ft. (50')	White
AGISHALLOWRAYZFT	LED Strip (6", 12" or 18")	White

Power Supplies

The key to brilliant light is power!

AgiLight offers power supplies to match all of its low-power, energy efficient products. The supplies are all rigorously tested to ensure superior, reliable performance. AgiLight power supplies are also U.L. recognized for use in the U.S. and Canada and backed by manufacturer's warranty.
