Digital Product Guide

*Service, Quality & Commitment
You Can Trust!*

Service

Midwest is more than just a supplier—we pride ourselves on offering customers some of the best service in the industry.

Quality

Nine locations strong, we network with the top manufacturers in our industries to bring only the best supplies, equipment and services to customers from the Midwest to the West Coast.

Commitment

Our goal: to provide *Excellence Beyond Expectations*®. We have built a tradition of excellence over more than seven decades. With experience and commitment, we look forward to guiding your business into the future—by representing the industry's newest products, services and techniques.

MIDWEST

Your full-service supplier of equipment for:

- **Sign:** Substrates, banner material, sign paints and more
- **Screen:** Everything from presses to inks, frames to adhesives
- **Digital:** All of the latest digital media, equipment and software

Midwest Digital Technicians

Midwest is dedicated to helping you grow your business by offering first-rate products and knowledgeable professionals. Our technicians are trained on a variety of digital equipment and software, including color profiling, to provide you with professional installation and training on your digital equipment.

Front End to RIPs

Our Digital Technicians, who are trained in color profiling and have hands-on experience with digital equipment, help you choose the right products for your business. From choosing a front-end printer to compatible RIP and media, we can help you sort through all the options. We'll help you choose the optimal equipment and tools to be successful in the digital market, so you can take advantage of new opportunities and new profits.

Check with Midwest to learn more about our technical support, installation and service plans.
