

# Sign Posts and Bases

Now you can put your signs anywhere! Midwest's durable U-Channel sign posts and cast iron bases provide ideal traffic sign solutions for residences, schools or events.

### Portable Cast Iron Sign Bases

These durable, tip-resistant cast iron bases are great for temporary signs and work well with U-Channel, square or pipe posts.

### U-Channel Sign Posts

Light-weight but heavy-duty, our U-Channel posts have holes spaced at optimal distance for easy sign mounting, and tapered ends for smooth installation. Available in rust-resistant galvanized or green finishes.

### Steel Sign Pipes

This pipe pairs perfectly with our sturdy sign bases for your temporary sign needs. Its unique design even lets you post signs on both sides!
