Large and small format solvent, aqueous, and UV inkjet equipment for graphic, sign, and fabric decoration

Dye sublimation inks specially designed for exceptional performance in digital printing

Screen print and digital inks for the graphics industry

Sign-Foam® dimensionally stable and grain-free high density urethane board for dimensional signs and displays

Wide format solvent and UV printers for signs and graphics

LED lighting solutions for a variety of sign and architectural applications

RIP and print workflow software for large format display graphics

Aerosol adhesives, cleaners, and chemicals

Plastic signs, stands, and barricades

Newman Roller Frames® for graphic and textile applications—tensioning systems, pin registration systems, and tension meters

Plei-Tech® and Vulkollan® screen printing squeegee

Alternative solutions for solvent and eco-solvent digital inks

SunGard™ polycarbonate sheeting and DigiMax™ polystyrene

Emulsions, films, and chemicals for a variety of screen printing processes

Plastics for graphic display and fabrication including DIGI-HIPS® polystyrene for UV inkjet

Plastisol and water-based textile screen printing inks including the Ultrasoft® and Maxopake® series

Pressure-sensitive vinyls, polyesters, and polycarbonate print films and laminates for digital and screen print decoration

Neon and fluorescent lamps and accessories

Large format roll-to-roll and flatbed printers, printer cutters, and plotters

RIP and print management software

Flatbed graphic applicators for professional graphic mounting

PolyOne Wilflex® plastisol and water-based inks for textile decoration including the MX and PC Express mixing systems and DM4 for automated color mixing

Small format dye sublimation decorating solutions

Changeable letters and number sets for marquees and reader boards

From the Midwest to the West Coast...

Service, quality, and commitment you can trust!

Service

Midwest is more than just a supplier—we pride ourselves on offering customers some of the best service in the industry.

Quality

Ten locations strong, we network with the top manufacturers in our industries to bring only the best supplies, equipment, and services to customers from the Midwest to the West Coast.

Commitment

Our goal: to provide Excellence Beyond Expectations®. We have built a tradition of excellence over more than eight decades. With experience and commitment, we look forward to guiding your business into the future—by representing the industry's newest products, services, and techniques.

Support

Midwest wants to make sure you get the most out of our products. With our Digital Support Center, technical support is available Monday through Friday, 8:00 a.m. Central to 5:00 p.m. Pacific. Our highly-trained team of Digital Support Technicians are available by phone or email to offer support, guidance, installation, training, and more on your digital equipment.

Your full-service supplier for:

- **Sign:** Substrates, banner material, sign paints, and more.
- **Screen:** Everything from presses to inks, frames, and adhesives.
- **Digital:** All of the latest digital media, equipment, and software.
- **Services:** Digital support, color mixing, rigid and flexible substrate conversion, custom sign blanks, and letter coil.
