Retrofit LED Lighting Solutions that fit like a glove

Ditch the fluorescent bulbs and go for a greener, longer lasting lighting solution from Allanson!

- Quick and easy replacement of T12 Fluorescent lamps
- Insulated adaptor mounts directly into the existing lamp sockets
- Sleek clean finish with aluminum based structure that allows for continuous heat dissipation
- Diamond shape sturdy housing allows for a wider beam, angled for even and balanced illumination, eliminating hot spots
- True retrofit – mounts minimum 6" from sign face and is spaced at 12" centers
- Bright white LED in daylight color
- Operating temperature: -40°C to +50°C
- Safe 12V system
- IP 67 rating
- 5 year warranty
