

Change the Way You Print Street and Sidewalk Graphics ...

Midwest is pleased to offer **Asphalt Art**, a printable aluminum foil with adhesive backing designed especially for application to outdoor concrete, stone or asphalt.

Asphalt Art can be imaged via screen printing, UV-curable and latex printing methods.

It's also NFSI and ASTM D-2047 Certified, meaning it's safe and suitable for pedestrian or vehicle traffic surfaces.

Three size options are available to fit projects big and small:

48" x 100' Roll

48" x 30' Roll

24" x 10' Roll

For easy application, **Roberts 7.5-inch Extendable Handle Floor Roller** can be extended up to 27 inches to help you cover even the toughest surfaces. Use this roller with **Asphalt Art**, and any other floor and wall covering materials!

See for yourself how this cutting-edge product can create eye-catching graphics for event promotion and more — contact Midwest today, or order it directly from our E-Store!
