

Midwest is pleased to offer... CatWalk and ClearWalk from Asphalt Art!

CatWalk (opaque) and ClearWalk (transparent) are printable anti-slip media perfect for creative indoor advertising on floors and wet areas (pools, saunas, etc).

Shop Entrance

CATWalk

Wet Area Application

CatWalk is an **opaque**, printable media with anti-slip qualities that is perfect for all of your indoor advertising needs. Whether on the floor of a supermarket, a mall, or at the bottom of a pool—CatWalk from Asphalt Art makes a statement!

CatWalk can be used for short and medium-term applications and remains easily removable, without residue, even after long use. CatWalk provides an extremely secure, slip-resistant and chemical resistance surface. Moreover, the quick and easily portable product is extremely foot friendly. The waterproof adhesive and associated durability of the film guarantee versatile usability.

CatWalk is compatible with digital or screen print solvent, eco-solvent, and UV Curable inks.

Durability – CatWalk will last up to 3 months for indoor or wet area applications. The durability depends on proper application, the condition of the surface and the frequency of usage.

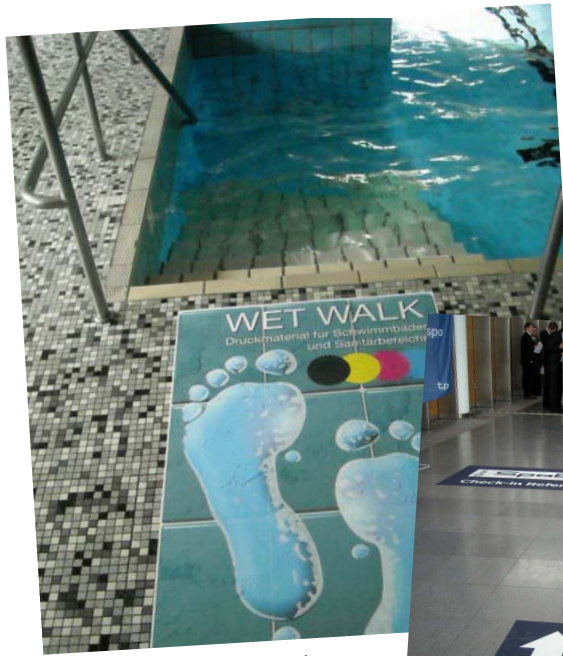

Advantages

- Lasts up to 3 months
- Just Print and Apply
- No Lamination, No Sandwich Structure!
- Is appropriate for smooth indoor & wet surfaces
- Tolerates water in showers, swimming pools, etc.. (applied dry)
- Extremely secure with its slip resistant surface
- CatWalk can be cut with a normal cutting plotter
- Very robust, yet easily removable
- Good chemical resistance—anti bacteria treated
- ASTM D 2047 certified and meets the Euro Norm as DIN/EN

Applications

- Can be used indoor on almost every surface (tiles, marble, concrete, linoleum, porcelain, vinyl...)
- POP—POS
- Supermarkets, shopping malls,
- Fast food
- Pharmacies
- Museums
- Showers, bathtubs, wet areas, Saunas—even inside pools
- Create Impressive 3D effects!

CLEARWalk

Advertising or Safety Tips in Wet Area

ClearWalk is the **transparent** film for indoor floor and wet area communications, especially for special effects!

ClearWalk can be used for short and medium-term applications and remains easily removable, without residue, even after long use. ClearWalk provides an extremely secure, slip-resistant and chemical resistance surface. Moreover, the quick and easily portable product is extremely foot friendly. The waterproof adhesive and associated durability of the film guarantee versatile usability.

ClearWalk is compatible with digital or screen print solvent, eco-solvent, and UV Curable inks.
