

MegaView 60/40 Film

MegaView is the latest addition to the line of “one way vision” perforation products from Continental Grafix. MegaView is a 6-mil vinyl self-adhesive perforated film specifically designed for short-term graphic applications. It’s a cost-effective solution to optimize advertising space for window graphics!

MegaView offers a 40% open area / 60% printable area and can be printed using solvent, eco-solvent, latex, screen printing or thermal transfer.

Features

- Great visibility with 60% print area
- 6-mil black/white layered vinyl
- 1.6 mm hole diameter
- Clear pressure-sensitive adhesive - offering good removability
- For short-term graphic applications of 1 year or less
- 6 month warranty (from date of purchase)

Great For...

- Shop windows
- Building wraps
- Bus windows
