

MIDWEST HORIZONS SPRAY ADHESIVES

Midwest's HORIZONS line of textile spray adhesives are environmentally friendly. These products do not contain chlorofluorocarbons or ozone-depleting chemicals.

HORIZONS Flash Tack

A clear adhesive designed for rapid heat cycles encountered in the flash curing process. Not only does it tack quickly, it securely holds down most textile products, including fleece garments. It's also recommended for use in multi-color applications.

- High Heat Resistant
- Fine Mist Spray Pattern
- Clear
- Long-Lasting Results

HORIZONS Mist Spray

A clear, pressure-sensitive adhesive that will not stain or wrinkle fine textile materials. It tacks quickly, has low soak-in, and offers either a permanent or repositionable bond.

HORIZONS Web Spray

Designed for fleece and other high-density garments, like jackets, this web-type spray has a pressure-sensitive adhesive for quick tack and low soak-in.

- Fast Tack
- Great for Hard-To-Hold Garments

Compliant with California's VOC Regulations for 2017!
