# TransferRite 582U Ultra

## Application Tape from American Biltrite

### Features & Benefits

- High grade saturated paper backing with superior adhesive technology
- Medium tack adhesive with superior adhesion to liner technology
- Lays flat to eliminate “dog-eared” decals
- Rolled and stacked graphics remain smooth and ready for installation
- Reduces wrinkling, tunneling and edge lifting

### Application

Suggested for:

- ready-to-apply graphics
- small one-piece decals
- pre-spaced lettering 2”-12” high
- mid-sized line striping

**Ask your Midwest Representative for more information!**

Backing	Paper, Saturated
Adhesive Type	Rubber
Total Thickness	4.2 mil
Tensile Strength	20 lb/in
Elongation	3%
Adhesion	8 oz/in at 90°
Color	White

Tape Width	Length
2" 3" 4" 6" 8" 10" 12" 14" 15" 16" 18" 24" 30" 36" 48" 54"	100 yd

### TransferRite 782U Ultra

5.4 mil premium application tape is ideal for large graphics. It will not easily tear, especially during installations over rivets, and performs well in wet applications.
