

SIGN FRAMES

PLASTICADE® PRODUCTS

Plasticade Products is the top choice for durable, affordable, and easy to use sign frames. Find out which of Plasticade's versatile, all-plastic frames is right for you!

Marquee™

Marquee all-plastic sign stands feature two 24" x 36" regressed sign faces that perfectly showcase metal, acrylic or MatraPlast sign blanks.

These stands have a molded-in handle for easy portability; special features like stacking lugs, a sand ballasting hole, and a patented locking hinge keeps your Marquee frame open, stable, and prevents damage to sign faces.

Available in White, Black, Blue, Green, and Red, the Marquee is a perfect solution when colored frames are required for the desired effect.

WindSigns

Heavy-duty coil springs resist strong winds and return the sign to an upright position

Wind Sign II all-plastic sign stands with "Quick Change" Frame feature two 24" x 36" regressed sign faces that perfectly showcase metal, acrylic or MatraPlast sign blanks.

These plastic frames feature coil springs that are strong enough to resist head-on winds up to 60 mph and return the sign to an upright position. Just fill the plastic base with sand to achieve maximum wind resistance.

The "Quick Change" feature allows you to change your sign out in seconds, and the molded-in handle and built in wheels allow for easy portability.

Available in Gray, Wind Signs are the most stable option for your sign needs!

Signicade®

Signicade all-plastic sign stands feature two 24" x 36" regressed sign faces that perfectly showcase metal, acrylic or MatraPlast sign blanks.

Like the Marquee, these stands have a molded-in handle for easy portability, as well as stacking lugs, a sand ballasting hole, and a patented locking hinge to keeps the frame open and stable, and to prevent damage to sign faces.

Available in White, Yellow and Orange, and able to fit flashing light attachments, Signicade is the answer for your safety signage needs.

SIGN FRAMES

Signicade Deluxe

Signicade Deluxe all-plastic sign stands offer a "Quick Change" slot that allows sheets up to 3/16" thick to easily slide in or out of each side. Stay Tabs keep your 24" x 36" signs securely in place, and a patented locking hinge to keep the frame open and stable, and to prevent damage to sign faces. Available in White and Black, the Signicade Deluxe is your answer for fast and easy portable signage.

Econo Classic

Plasticade's Econo Classic sign stands feature two 24" x 36" regressed sign faces within a light weight, durable, all-plastic frame. These stands have a molded-in handle for easy portability; special features like stacking lugs, a stabilizing brace, and a patented locking hinge keep your Econo Classic frame open, stable, and prevent damage to sign faces. Plus, a "Quick Change" slot allows sheets up to 3/16" thick to easily slide in or out of each side. Available in White, the Econo Classic provides big results at an economy price.

Sign Accessories
