

# EPIC™ Single LC White

Wilflex EPIC Single LC White is a new white ink that can be used universally on polyester and cotton substrates with a low cure temperature requirement. EPIC Single LC White is uniquely formulated to have the power to resist bleeding dyes on polyester fabrics but produce soft and pliable prints on cotton fabrics.

## Features

- Excellent opacity and bleed resistance
- Low temperature (260°F – 280°F)
- Ability to help avoid potential ghosting on cotton substrates when hot stacking garments
- Simplify ink management with this all-in-one solution
- Use with: Cotton, Cotton/Poly, Polyester, and Polyester Blends
