

Polycarbonate Overlaminates by

Midwest is proud to offer Ritrama Polycarbonate Overlaminates.

These velvet gloss polycarbonate-overlaminating films are designed to add depth to your graphics and protect graphics that may experience a high exposure to scuffing, making them excellent for trade show graphics, POP and photo displays.

Applications

- Product identification pieces
- Photo displays
- Point of purchase displays
- Trade show displays

Features & Benefits

- Adds depth to the aesthetics of visual images
- Impact resistant - great for graphics that may experience a high exposure to scuffing
- Available in Velvet Gloss finish
