

Sefar Basic Mesh

Engineered for today's competitive textile printers

Woven with yarn that meets Sefar's high quality standards, this mesh provides all the requirements sought after by the garment industry.

The Sefar Basic product line encompasses the mesh specifications most commonly used by textile printers and is available in both yellow and white (depending on the mesh specification).

Available in:

Mesh: 83/100 PW to 305/40 PW

Colors: White and Yellow

Widths: 45", 55", 62", 83", 92", 102", 143"

	Part #	Description	Width
