Products

Freedom Extra 10 oz Matte Banner:

This smooth finish banner is compatible with screen printing, digital printing, and pressure-sensitive lettering. Intended for indoor and outdoor displays for short-term usage (1 year or less), Freedom Extra 10 oz. Matte can be used for single sided printing.

Rio Extra 13 oz Matte Banner:

Intended for long-term usage (greater than one year) indoor and outdoor displays, Rio Extra 13 oz. Matte may be used for single sided printing. Rolled on notched cores and with image-side out, this product is compatible with Large Format printers.

Rio Extra 13 oz Gloss Banner:

Rio Extra 13 oz. Gloss may be used for single side printing and is intended for indoor and outdoor displays for long-term usage (greater than one year). Rolled on notched cores and with image-side out, this product is compatible with Large Format printers.

Rio 9 oz Mesh Supreme Banner with Liner:

This product is compatible with digital printing and is intended for indoor displays and outdoor displays for long-term usage (greater than one year). Its liner prevents ink spray-through to protect Large Format printers. Designed for single side printing, the Rio Mesh Supreme's tight mesh helps the printed image appear with ample detail, ideal for close proximity viewing.
