## Mixing Wilflex™ Epic Ink

**Wilflex Epic PFX** inks are formulated without phthalates and provide a smooth satin finish with excellent press performance - Manual or Automatic.

**Epic Top Score** inks for the athletic market — print on polyester substrates that require low cure temps and high-stretch.

**Epic Amazing** inks — all the benefits of the Epic PFX inks, with better opacity.

\*No PMS? We can match a printed color swatch – additional turn time and fees may apply.

Standard shipping rates apply.
