

Rosenthal Material Slitting and Sheeting

Stop hand cutting your rolls of media!

Midwest is now offering Slitting and Sheeting Conversion for non-rigid material.

Midwest can quickly and easily cut your rolls into sheets (with a slitting option available) to save your operation both time and money.

Material Sheeting:

Midwest can quickly and accurately cut any non-rigid rolled media—everything from banner material to laminate and vinyl—into a specific sheet size.*

Perfect for custom jobs!

(*Samples of material required for suitability testing.)
